Dear Applicant,

Thank you for contacting me about your interest in applying to one of the United States Service Academies. Your enthusiasm to attend an academy and serve our country is encouraging and appreciated.

As you know, Members of Congress nominate candidates each year for the service academies. I take this nomination process very seriously and ask for a considerable amount of information to be provided by you, the candidate. I require the following from you:

- An application for nomination to a service academy (form enclosed)
- A list of extracurricular activities (form enclosed)
- A personal theme letter
- A high school principal, head of school, or guidance counselor evaluation form (form enclosed)
- Three letters of recommendation, at least one of which must be from a teacher but other than the person who fills out the evaluation form
- Your end of junior year high school transcript sent directly from the applicant's school
- Your SAT I, SAT II (if applicable), or ACT test scores sent directly from the testing agency

You will also need to apply for admission directly to your target academies. When you have successfully completed this step, your name will appear on that academy's candidate list. If your name is not on the list, we cannot process your nomination.

These materials all need to be received in my office **no later than Monday, November 1, 2010.**

Should you have any further questions, please feel free to contact my assistant, Elanna Schlichting, at 503-231-2300. I wish you the best of luck in school and in the future.

Best Wishes,

Earl Blumenauer  
Member of Congress

## **Academy Nomination Application Instruction Sheet**

1. **Application Packet:** The applicant must complete the entire application packet, even if some of the information was previously provided to another agency. Keep in mind that the applicant must be a legal resident of Oregon and reside in the Third Congressional District to be considered for nomination by Congressman Earl Blumenauer. If the applicant is temporarily residing outside of Oregon, be sure to provide both addresses on the application form.
2. **Preference:** Because of the large number of qualified applicants and the limited number of nominations, each applicant is considered for his or her first choice. However, in the event that an applicant merits a nomination and the first choice is not available, the applicant will be considered for his or her second choice.
3. **Method of Nomination:** Congressman Blumenauer normally uses the "competitive nomination" selection process for academy candidates. Using this method, ten nominations are submitted by our office to each academy. These ten people are selected based on their high school scholastic and extracurricular record, letters of recommendation, and the results of the College Entrance Examination Board test scores. These nominees then compete on the academy level for the actual appointment.
4. **Documentation to be sent to Congressman Blumenauer**
  - A. **Application Form, List of Extracurricular Activities, and Personal Theme.** To be filled out by the applicant and returned to our office. The Application Form and Extracurricular Activity Forms are included with this packet. The Person Theme is a short (200-word) essay explaining the applicant's motivation for attending an academy.
  - B. **High School Principal, Head of School or Guidance Counselor Evaluation Form**  
To be filled out by the applicant's high school principal, head of school, or guidance counselor. In the case of home-schooled candidates, the principal/head of school/guidance counselor letter may be written by a relative.
  - C. **Letters of Recommendation**  
Please send only three letters of recommendation, at least one of which must be from a teacher but someone other than the person who fills out the above evaluation form. All recommendation letters must be from non-relatives. It is a good idea to follow up on requests for letters of recommendation to ensure that they have been mailed to our office prior to the deadline of **November 1, 2010**. If the applicant is temporarily residing outside the state of Oregon, the applicant may use recommendations from out of state.
  - D. **High School Transcript**  
This needs to be sent directly from the high school to Congressman Blumenauer after the completion of the applicant's junior year. Transcripts delivered from any another source than the applicant's school will not be considered. If the applicant has graduated from

high school, preparatory school, or college, a final high school transcript and transcript of advanced study should be submitted.

E. College Entrance Examination Board Scores:

The applicant is required to forward the results of his or her SAT or ACT exam to our office directly from the testing agency. Test scores delivered from any other source than the testing agency cannot be considered. Our score codes are 4107 for the SAT and 7629 for the ACT. The applicant's counselor can provide a list of the dates these tests are being offered, and it is suggested that the applicant take the test at the earliest possible date in order to ensure that we will receive the applicant's scores by our nomination deadline.

5. **Physical Requirements:** Carefully review the section of the academy catalog outlining its physical requirements. Due to travel inconveniences for many applicants, the physical examination is not a prerequisite for nomination. However, the academy administers a very comprehensive physical after nominations are made, and the applicant must pass this examination in order to continue in the competition for appointment.

Congressman Blumenauer is very aware of the importance of an academy nomination to the applicant, and each completed file is carefully considered on the individual applicant's own merits. To do a thorough evaluation of each file, it is crucial that all of the documentation requested be received in Congressman Blumenauer's Portland District office **by November 1, 2010**. Applicants with incomplete files will not be considered. Cooperation in supplying information at an early date is appreciated. Due to the large numbers of applicants that must be processed, please be sure to notify Congressman Blumenauer's Portland office if the applicant is no longer interested in competing for a nomination or if the applicant has any further questions. The applicant can reach his military caseworker at 503-231-2300.
